This message will go out to PALMS families this evening.

**COVID Notification:**

Today, January 4th, the Palisades School District received notice that a student (taking face to face classes) from Palisades Middle School tested positive for COVID-19.

The district, working in collaboration with the Bucks County Health Department, has completed a case investigation, contact tracing, and cleaning and disinfecting of contact areas as required. Close contacts, if any, have been notified. (A close contact is defined as a person who was within six feet for 15 minutes or more of a positive case.)

As a result and per the recommendations of the Pennsylvania Department of Education (PDE) as found at this [LINK](#), the school will not be closed for in-person or online instruction due to this positive case.

Please continue to monitor symptoms of your child(ren) and seek guidance from your healthcare provider if symptoms emerge. Kindly notify our nurses of any developments at [covidnurse@palisadesd.org](mailto:covidnurse@palisadesd.org)

Thank you for your continued support of our staff and students. I hope you have a happy and healthy new year!

Sincerely,

A handwritten signature in black ink that reads "Bridget O'Connell".

**Dr. Bridget O'Connell****Superintendent**
