Dear Palisades Families,

Since our last notification yesterday, the Palisades School District received notice that a student from Tinicum Elementary School tested positive for COVID-19.

The district, in collaboration with the Bucks County Department of Health, has completed contact tracing and close contacts, if any, have been contacted. A close contact is defined as a person who was within six feet for 15 minutes or more of a positive case.

Our schools are not closing for in-person or online instruction due to these positive cases.

Please continue to monitor symptoms of your child(ren) and seek guidance from your healthcare provider if symptoms emerge. As always, if your child is sick, please keep him/her at home.

Please consult our district's dashboard for information relative to the number of students reported each week - [COVID Dashboard](#)

Thank you for your continued support of our staff and students.

Sincerely,

A handwritten signature in black ink that reads "Bridget O'Connell".

Dr. Bridget O'Connell**Superintendent**

Palisades School District would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Palisades School District directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: [Unsubscribe](#)

SchoolMessenger is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
