

According to the 2019 data posted on <https://futurereadypa.org/>, the following details results for Palisades High School compared to each of the cyber charter schools to which students are currently enrolled for the 2020-2021 school year. **Note: PHS outperforms every cyber charter school on this list. Also note, cyber charter schools vary in the grade levels they offer, and they are considered one building, which is why they are being compared to PHS.**

BLUE = meets or exceeds statewide goal  
 GREEN = meets or exceeds interim target  
 RED = not meeting statewide goal/interim target
