President's Message:

Today marks the 6th straight day of sun! That may seem a strange event to take note of but over the last 18 months it seems a rarity! With great thanks to our sponsors, volunteers, fire police, and registrants we held our Annual PCF 5K Challenge on May 18th on a beautiful sunny day with great success. After

the 5K & 1M event there was a Community Fair in which many local organizations and businesses took the opportunity to reach out to the gathering of runners, walkers, and families. Many people took the opportunity during the Fair to try out their throwing arm at the Dunk Tank featuring Scott Davis,

Principal of Springfield Elementary School, and Michelle Borzok, 2nd grade teacher, who fought back with a smuggled water squirter to drench each person that successfully dunked her.
