# Getting started with NxStop

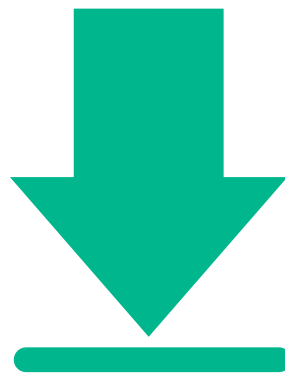

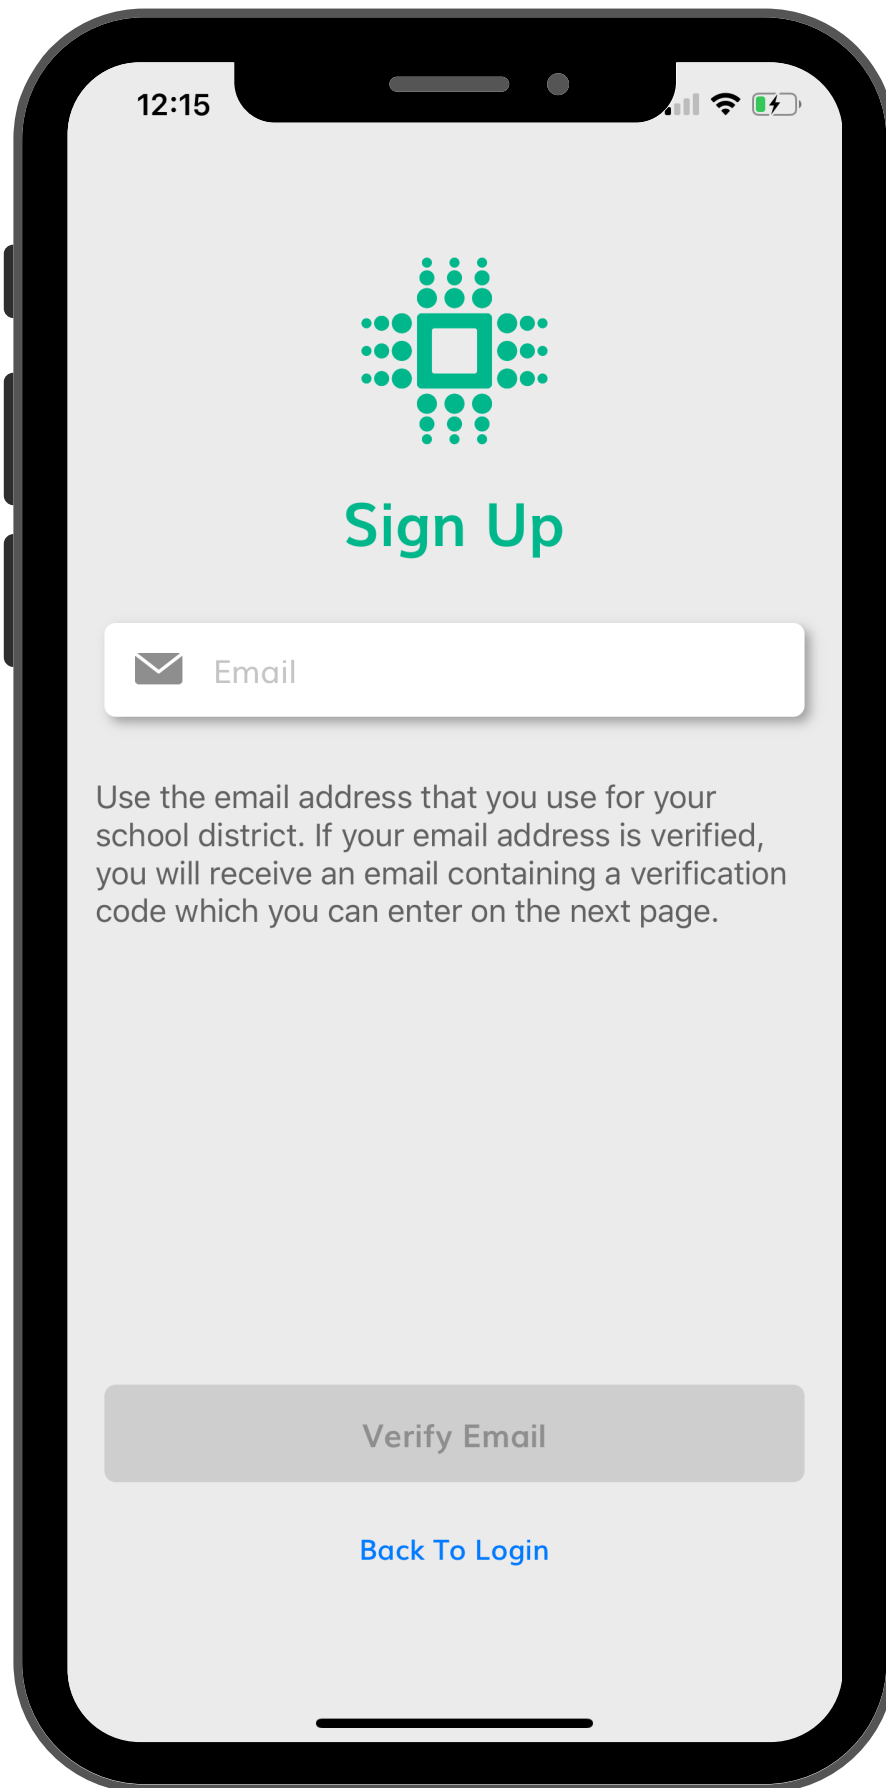

NXSTOP

NxStop

The First Step is to download the
NxStop app on your mobile device from the App Store, or
Google Play. It looks like this!

NxStop

Email

Login

First Login?

After you've downloaded NxStop, open
the app and select the "First login?" button

Sign Up

Email

Use the email address that you use for your school district. If your email address is verified, you will receive an email containing a verification code which you can enter on the next page.

Verify Email

Back To Login

You will then be prompted for your email address. Please enter the email address associated with your PowerSchool account and select the "verify" button
