

Health and Safety Plan Revision: September 16, 2020

In accordance with the Pennsylvania Department of Education and Department of Health:

Each school entity should continue to monitor its Health and Safety Plan throughout the year and update as needed. All revisions should be reviewed and approved by the governing body prior to posting on the school entity's public website.

Approval and revisions:

1. Board approved July 22, 2020
2. Recommended revision September 16, 2020

Recommended revisions are based on:

- Summer project completion
- Administrative meetings
- Pandemic Team meeting
- Student representative meetings (PALMS and PHS)

Key Revisions:

1. 6' distancing in all classrooms K-12 which allow for 10 minute masking breaks in all classes
2. Updated symptom screener
3. Plexiglass: installed in all main office areas, removed from plan for nurse suite and plastic curtains are being used
4. Locker use elimination to maintain distancing
5. COVID dashboard

The Palisades School District is monitoring overall COVID-19 cases in our state, county, region (Upper Bucks) and within the school district to inform decisions about how we deliver instruction (in-person, hybrid or virtual). This dashboard will be updated on Friday with the total number of new, active student COVID-19 cases in the Palisades School District as confirmed by the Bucks County Department of Health. The weekly counts will represent new cases, not cumulative from the prior week.
