

This year all students who do not currently already have a Lenovo 100e or a Lenovo 300e Chromebook will be receiving a new Lenovo 100e Chromebook. Students will need to turn in their existing Chromebook to receive the new one. You can see if your child already has a Lenovo 100e or Lenovo 300e Chromebook by looking at the label on the bottom of the device which will display the model number as shown below.

Because of this, when you purchase insurance for your child's Chromebook, which we highly encourage you to do, please select the Lenovo 100e unless your child already has a Lenovo 300e (currently most 8th graders). If you choose not to purchase insurance for the year below is an example of charges you could be invoiced for in the event of accidental damage.
