Dear Palisades Families,

On Monday, November 9th, Palisades School District received notification that a student at Palisades High School tested positive for COVID-19. Staff and students who may have come into close contact (any individual within 6 feet of an infected individual for at least 15 minutes) with the individual will be contacted directly.

Palisades High School is not closing for in person instruction due to this positive case.

Please continue to monitor symptoms of your child(ren) and seek guidance from your healthcare provider if symptoms emerge. As always, if your child is sick, please keep him/her at home.

Thank you for your continued support of our staff and students.

Sincerely,

A handwritten signature in black ink that reads "Bridget O'Connell".

Dr. Bridget O'Connell

Superintendent

Palisades School District would like to continue connecting with you via email. If you prefer to be removed from our list, please contact Palisades School District directly. To stop receiving all email messages distributed through our SchoolMessenger service, follow this link and confirm: [Unsubscribe](#)

SchoolMessenger is a notification service used by the nation's leading school systems to connect with parents, students and staff through voice, SMS text, email, and social media.
